

International Days of Protest to Stop The Militarization Of Space

OCTOBER 4-12, 2008

Join us during Keep Space for Peace Week by organizing a local event in your community in solidarity with actions around the world. Show a video, organize a workshop, host a Global Network speaker, meet with your elected officials, hold a protest, or sponsor a church program on space issues. Working together we must stop a destabilizing and expensive arms race in space.
