Background:

The Global Network Against Weapons & Nuclear Power in Space (GN) is launching its first international video contest. Every year, the GN hosts the international *Keep Space for Peace* week in early October and an annual conference somewhere around the world. The poster for our 2014 Keep Space for Peace Week can be viewed **here**: <http://www.space4peace.org/actions/Keep Space for Peace Poster 2014.pdf> and a short video advertising the week can be seen here: <https://www.youtube.com/watch?v=obgx85nJb-M&feature=youtu.be>.
